Our Magic Year

# OUR ALMA MATER

Where mountains stand so boldly  
Where skies are always bright  
Our Alma Mater lifts her head  
And sings her strength and might  
We lift our eyes into the hills  
That shelter Tazewell High  
They give us strength to love and serve  
The school whose fame we cry.

Oh, Tazewell High we love thee  
Our Alma Mater dear  
For you we stand and sing our praise  
Of love and faith and cheer.  
We praise thee, Tazewell High School  
Your light forever shines.  
It shines to guide and keep me near  
That dear ole' school of mine.

The band members enjoyed the trips to the out-of-town games. The journey home proved to be a time for relaxing and having an enjoyable time.

## FOREWORD

When in the course of another year, it becomes necessary for the Senior Class of 1963 to present the nineteenth edition of **THE PEAK**, to say goodbye to the halls of Tazewell High School, the kind and loyal teachers, and the thrill of our senior year, a sincere regard for our fellow students require that we should present our yearbook with our most sincere and best wishes. And for the successful completion and reception of this volume, with a firm belief in and reliance on our Creator, we hereby pledge to ourselves and our high school, our Hopes, our Willingness to Work, and our belief in Tazewell High School.

Our assembly programs were varied. Some were informative, others were entertaining, and still others were religious presentations. All of them were useful in building a well-rounded personality.

It does not seem possible that another semester has flown by; but, plenty of evidence can be found. No matter which way you turn, everyone seems to be cramming for semester exams.

## In Appreciation . . .

In such a few words it is totally impossible to express our regard and gratefulness to one who has given so fully and unselfishly of time, patience, and self. He has corrected our mistakes in class, directed us on our way, and helped us in every possible way.

Many of his own personal hours were spent coaching our plays, selling tickets for the games, and helping our many endeavors. When only one quiet moment would have seemed like heaven, he was ready to come to bat for any of us, student or teacher.

To one who has helped so greatly and deserves so much in return, we, the annual staff of 1963, dedicate this printing of THE PEAK to Mr. Howard Crouch.

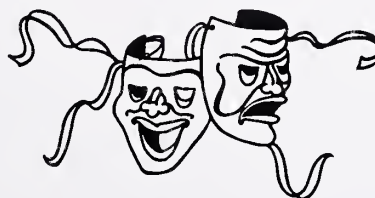

His love of music is a second profession. He directs his church choir, and sometimes he is called upon to sing at our assembly programs.

He is frequently called upon to help the students while he works in the office.

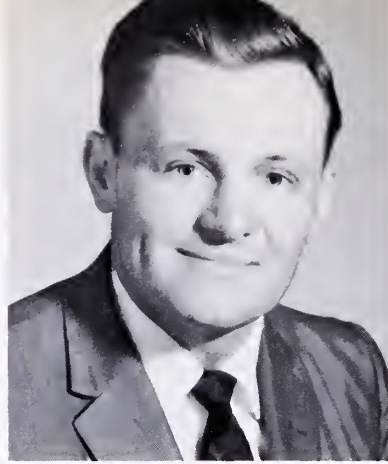

Mr. Crouch is a friend to students and teachers. He is often seen in the company of the students of THS.

Mr. J. L. Walthall  
Superintendent of Schools

Mr. Claude Van Dyke  
Jeffersonville Representative  
of School Board

It was in his annual message to Congress, in 1941, less than a month after Pearl Harbor, that President Franklin D. Roosevelt uttered these now famous words:

"In the future days, which we seek to make secure, we look forward to a world founded upon four essential human freedoms. The first is freedom of speech and expression--everywhere in the world. The second is freedom of every person to worship God in his own way--everywhere in the world. The third is freedom from want--everywhere in the world. The fourth is freedom from fear--anywhere in the world."

Two decades have gone by, and these four freedoms are not yet guaranteed--everywhere in the world. But progress is being made, and will be made. We think this progress is and will be based on Education; educating our boys and girls to WANT these four freedoms for themselves and for every other boy and girl, the wide world over. Educating them to want them enough to work for them, to earn them, and finally to be worthy of being free.

Who can ever forget those last moments when we jammed up to the teacher's desk to get a class with our friends or that special chum? There was always the curiosity to see the new teachers and find out how "tuff" they were going to be. We always had to stop in the halls to chat awhile before rushing to beat that four-minute bell. The crowd in the lunchroom and the rush on the stairs were good excuses to be tardy for that next class.

We could never forget the year we became juniors. That meant more homework, more books to read for English class, more class projects, more clubs to join, and more friends to meet. That was the year when MORE seemed to be the password for students and teachers. We had a chance to go to those great football games, to help publish the school paper, to work on the annual, and the greatest chance of all was the thrill and romance of going to the Junior-Senior Prom.

At last came the school year of 1962-63; and we're seniors, the final accomplishment of four years. The second week of September was so important to us for that was the date when our classrings finally came. English was our greatest class; MACBETH seemed a losing fight, but we won. With the advance of the second semester, many of us began getting ready for the thrill of graduation and the future. We finished our testing program and filled in applications for military service, employment, or college. We proudly finished a wonderful year with a sense of accomplishment, relief, and self-satisfaction. In the years to come, we shall look back on these magic days and say do you remember when.....

At last we have reached our goal. After four years of hard work, we are the SENIORS OF 1963. We, have waited all these years to get our class rings, to hear "Seniors First" in assembly, and to be looked up to by the other students. While all these things make us happy, we are in some respects "sad". Soon we will be parting, each will go his own way to take his place as a servant to his God and his country. Even though we will be separated as the years go by, we shall never forget all the fun we've had at the dear 'ole T. H. S.

# JUNIORS

This fall we returned to Tazewell High School with a new name "Juniors". This meant that we had completed three years of work and play while we were making our place in the "History of T.H.S." This new name also meant that we would be allowed some new privileges. The most welcome of these is ordering our class-rings if we have acquired 16 credits and the most thrilling being able to attend the prom. We went to work with great enthusiasm for the next year when we would be "Seniors". All of these things go into the making of another "Magic Year at T.H.S."

# SOPHOMORES

Sophomores! Impossible, but yet quite true. It almost seemed as if a magician had charmed us through two years of high school at T.H.S. So many things were behind and many more ahead. All joined their efforts to make this year one to remember. Our hard work was rewarded. Never before had our class been so united; never had we been so studious and yet so fun-loving. New friends were made and old acquaintances renewed. Even teachers seemed to have the desire to be well liked by the students. We can truthfully say that our sophomore year was a year to be remembered.

## FRESHMEN

Gee! It's hard to believe that we have finished two years at good Ole T.H.S. We returned with certain new and interesting privileges which go along with the title "Freshman". An honor worthy of respect was bestowed on one of our fellow classmates when he became Treasurer of the S.C.A. We can never forget May Day when two of the beautiful girls were chosen from our class to be May Princesses. Before summer vacation rolled around came our class party. Here was our own little prom. Ah! can we ever forget the fun. We nominated three rising sophomores to be cheerleaders. We sure were proud of our candidates. All in all our Freshman year was one we will never forget.

# EIGHTH GRADE

High School! That magic word! We, the class of nineteen hundred sixty-seven, really looked forward to our first year in high school. We wondered if we would ever know the names that belonged to all those strange and new faces. Now, a year older and a year wiser, we look forward to our Freshman year, and the new experiences it has in store for us.

## BEST EIGHTH GRADERS

Supposed to be doing homework--(but homework was never this much fun)!

After the game!

Hurry! The tardy bell is going to ring! ! ! ! !

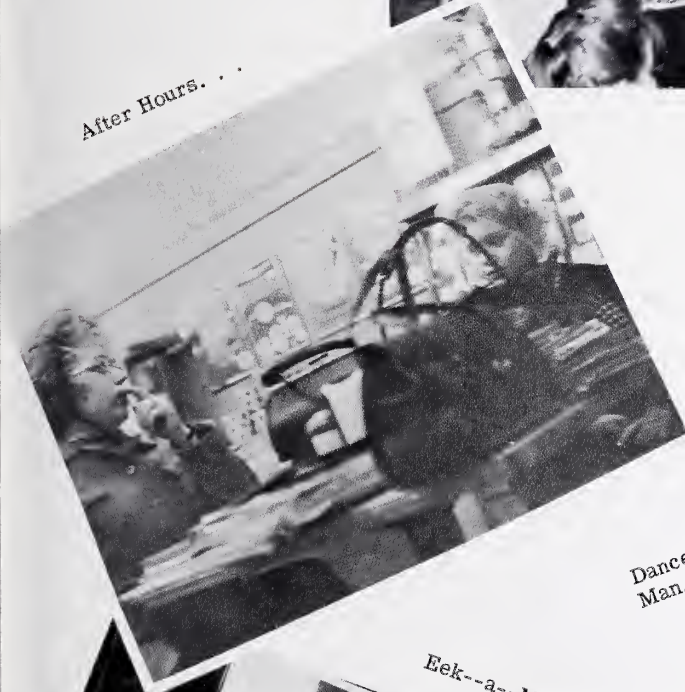

Jam Session. . .

Dance to the Guitar  
Man. . . . .

After Hours. . .

Card Sharpies?

Eek--a--Mouse!

Me--ow---

We shall always recall the jubilant shouts of the crowd when the Bulldogs capered on to victory. We applied the Greek motto of "a sound mind in a strong body" to all of our activities.

Fall was the time for football and our team was well underway. We sat tensely watching the game from the first kickoff to the final seconds of the last quarter. It was a great year for our team.

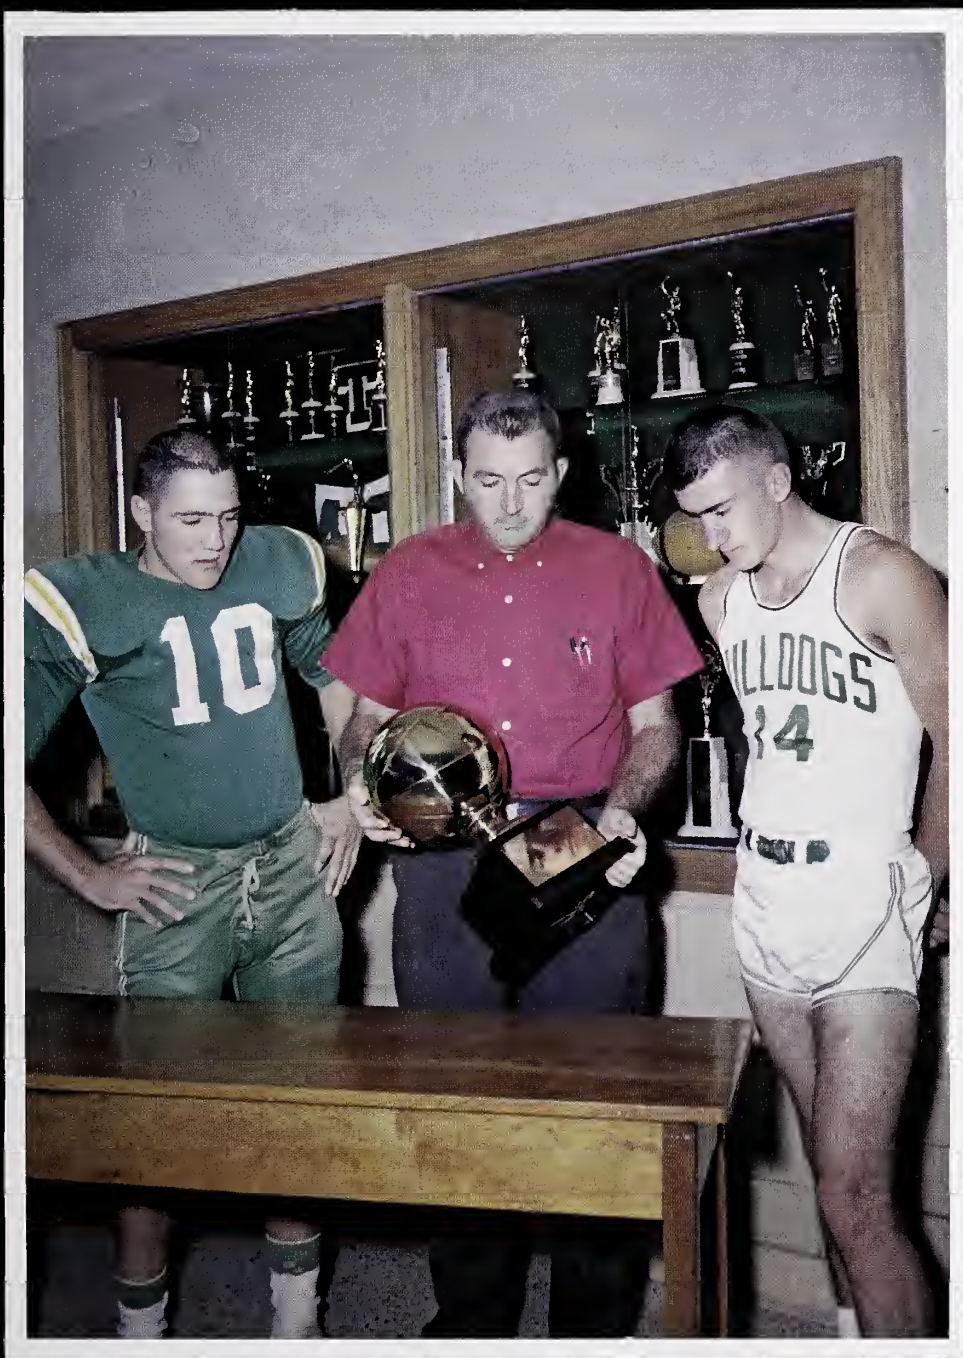

Basketball games provided plenty of competition and entertainment throughout the cold winter months. We yelled and rejoiced when the ball was tipped into our basket. The boys were in good condition and we enjoyed the fast pace of the competition.

Spring came, and the boys eagerly trooped out to the fields. Track shoes were laced and tied in the early spring, and our boys were off to a running start. We marveled at the performances of our team as they hurled through the air or cast the discus.

In every sport good sportsmanship played a vital role in the attitude and action of all the spectators and players at THS. We knew that good sportsmanship was our responsibility, and it was our duty to continue to play fairly.

Whenever we heard or sang our school song, we remembered the many games and wonderful times that we had shared. It was with a great feeling of pride that we cheered our school on to victory and fame.

## VARSITY FOOTBALL

Let's play ball!

Go get'em Bulldogs!

The 1962-63 football season at T.H.S. was the most successful since 1951. The Bulldogs racked up a 9-1 record. Their lone defeat came at the hands of Graham, the Virginia State Champions. It was without a doubt the finest team that has been assembled at Tazewell for many a year.

The Bulldogs boasted the No. 1 scorer in Virginia, the hard running, hard-hitting fullback, Don Barnes. Tom Mustard, Don Barnes, Jerry Angles, and Jim Williams made the All-Southwest District Team. The Bulldogs also placed three on the All-Tazewell County Team; Barnes, Mustard, and Larry Lambert. Barnes and Mustard also made the All-Area Team for Southwest Virginia.

T.H.S. is proud of her Bulldogs!

## COACHES

Our winning teams have been backed by some fine coaching from an excellent staff. Tough at times - easy at times - depending on the situation. They are always working to improve our teams and their standards. They start early and work late, giving relentlessly of their time to help the school continue to remain one of the best. We congratulate them for their untiring efforts.

## VARSITY BASKETBALL

This year Tazewell High's basketball team had its most successful season in several years. Regulars Tom Mustard, Phil Snapp, Dave Rye, Bill Burnett, and Wayne Dixon led our team to victory in many close games. No team can be a winning one, however, without the help of its substitutes. Ours were Don Davis, Don VanDyke, Ronald Mitchem, Jack Hall, and Jerry Wilson. These boys were the main-stay of our league leading Bulldogs as once again T. H. S. hit the championship road.

## WRESTLING

Hey . . . . get those shoulders down!!

Wrestling is one of the newer sports and is rapidly becoming more popular in high schools. A group of twenty-five boys in good physical condition made up Tazewell High School's first wrestling team. They participated in six matches, with each individual getting a limited amount of time to try to score for his team.

They had a fair record for their first year; however, with more experience the team will constantly improve and should win consistently in the future.

We will always retain the memory of the laughter and glee of our friends, the duties and honors of our school activities, and the thought of those good old days. Our Homecoming game was thrilling for the players, students, and the Homecoming Court. Nor can we forget the glorious dance that followed the game, where students and alumni had a wonderful time.

The band that year seemed better than ever. It did not matter whether they were marching on the field or playing for a school program; they were tops. They added pep to our school spirit and accompanied the song in our hearts.

The Thespian Troupe of T H S provided entertainment throughout the year. We rocked with laughter or sat silent in thought as the actors and actresses offered us the results of many hours of practice. The talent shows were fun, and no one can forget the witty and talented acts that were offered.

Spring rolled around and with it came the chance to attend club conventions and go sight seeing. The Glee Club and the band gave the Spring Concert which was enjoyed by everyone who attended.

The most glorious moment to remember was the Junior-Senior Prom. Our Prom was the result of the ideas, work, and co-operation of the students and sponsors. The loveliness of the last dance was the perfect setting in which to survey the events of another year at Tazewell High School.

## NATIONAL HONOR SOCIETY

The National Honor Society was organized in 1921 under the sponsorship of the National Association of Secondary School Principals. As stated in its constitution, "the purpose of this organization shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of American secondary schools."

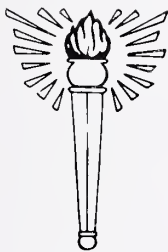

These girls participated in the National Honor Society Initiation.

The Tazewell Chapter of the National Junior Honor Society was organized during the school year 1959-60, under the sponsorship of the Senior Honor Society, Directed by Mrs. Gladys Hubbard.

The Purpose of the organization is to recognize outstanding students in the ninth and tenth grades of high school, who are elected to its membership on the basis of five qualities or characteristics: Leadership, Citizenship, Character, Scholarship, and Service.

At an induction ceremony, each new member is presented a membership card which he may keep as long as he is in good standing in the club. Small gold pins are proudly worn by the students which identify them with the organization.

Due to scheduling difficulties this year, the group has not met but once, at which time 37 new members were received.

Mrs. J. B. Hurt has been the sponsor for the group since its beginning in Tazewell High School.

We will recall the magic of those fun-filled times when the gang met after school to go to the drugstore for a coke and a quick snack; then headed for the ball field. We always had fun at those sessions of band and football practice.

We remembered at the last minute the things that we had to have before the parade or game. Last-minute rush was us. We had to call the cleaners for our band or cheerleader uniforms. It seemed as if time flew; but, we made it by hook or crook.

Weekends were a relief after those "hit-the book" weekdays. It was a joy to forget literature themes, pop tests, history reports, and lab experiments. We could not wait to go bowling or to the movies. We liked to stop at Johnson's, Joe's, or Glenn's afterwards.

It is a joy and an agony for a girl to pick out that "special" dress for school dances and the Prom. The stores in our area provided a wide selection of gowns that would please any girl.

The grocery stores and supermarkets were scenes of many and varied purchases. We dashed in to pick up items which would adorn a banquet table, turn up at a barbecue, or be served as refreshments at a "sock-hop".

When spring came, our local stores were overrun by students buying things for the Junior-Senior Prom. Everything from glue and thumbtacks to wire and crepe-paper was collected by the busy juniors and seniors.

We are sincerely grateful to you--the wonderful stores and advertisers who have made this---a year to be remembered.
